FOUR SPORTS = ONE TEAM

GOLF • HOCKEY • BASEBALL • LACROSSE

We've been playing together a long time. Over 100 years in fact. First with golf. Then with hockey, baseball and lacrosse. Different sports with different needs. But all tied together by the never-ending quest to be better than the day before. While the courses, arenas and fields we play on may be different, True Temper Sports is one dedicated team. And just like any great team, we are better together than we are apart. Great teams feed off each other's strengths. They minimize any weakness. They work as a unit, lifting each other up and blurring the lines between roles, with a singular focus on simply being the best. We are more aligned now than any time in our history. Making players better. Making products better. Making the company itself better each and every day.

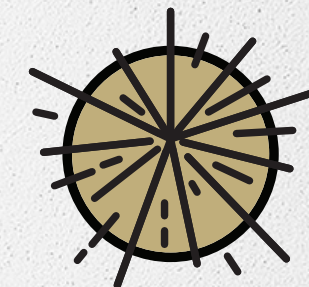

THIS IS TRUE TEMPER SPORTS.
WELCOME TO THE TEAM.
