LIFEGUARD

2023 UNIFORM CATALOG

MADE BY WATERMEN
FOR
WATERMEN

THE BOARDSHORT COLLECTION

The Mainstay Boardshort

Fit is everything! First in its class; super durable 4-way stretch short that is comfortable wet or dry and is made specifically for lifeguards. This shorter mid-thigh 8" inseam scalloped leg boardshort comes with the first Thru & Thru™ drawcord cinch waist that is made to stay on when making rescues. With unparalleled function and comfort, this baby has a Velcro® CPR mask/ radio pocket and is guaranteed to be the Watermen® brand's bestselling short to date.

- 88% Polyester / 12% Elastane
- Inseam 8" / Outseam 18.5" mid-thigh

RED, NAVY, BLACK
 Sizes: 26-44
 Sku: MAINSTAY

The Bondi Boardshort

The Bondi is named after the famous Australian beach where lifeguards make thousands of critical rescues every season. This revolutionary boardshort was created to withstand the uninterrupted abuse lifeguards inflict on their equipment. The Bondi features the lightest, most comfortable water-repelling material on the market, without sacrificing durability or fast drying aspects. Our bestselling premier boardshort just got better!

Oversized Velcro®-closure pocket with locking Velcro®, key loop fits most radios.

- 94% Polyester / 6% Elastane
- Ultra Durable 4-Way Flex Diamond Dobby Fabric
- Lycra™ Fly
- Inseam 9"

RED, NAVY, ROYAL, BLACK
 Sizes: 20-44
 Sku: BONDI

THE
BOARDSHORT
COLLECTION

Rincon Stretch

Super stretch material provides comfort & rash-free performance. Dries quickly. Scalloped sides provide maximum movement.

Elastic waist with secure drawcord, front side mesh drainage pockets and side radio pocket. Smooth bound seams that eliminate chaffing and a Cool-Plus® antimicrobial liner.

- 91% Polyester / 9% Elastane
- Inseam: 8.5"

RED, NAVY, ROYAL, BLACK
Sizes: SM-4XL (Add \$3 per size for 2XL-3XL-4XL)
Sku: RINCON

The Original

The 7.5" x 6.5" no drag cargo pocket is designed to accommodate MTS and XTS series Motorola radios and CPR Microshields. The pocket also includes a Velcro® closure with drain grommet, and there is a concealed dive knife compartment inside. The Original boardshort was designed without side seams and a silky Lycra™ fly gusset to increase mobility,

- 100% Super Soft, Fast Drying Nylon Supplex®

XXS (Available in Red and Navy only)
Sku: LBS-STR

Yes, there is a reason the world's greatest watermen use low-drag swim wear. Why wouldn't they mimic the streamlined, hydrodynamic bodies of fish and marine mammals? Here at Watermen, we have just the solution.

- 80% Xtralife Lycra / 20% Elastane
- Rash-free guarantee
- Double lined front (non-revealing)
- Antimicrobial fabric (0% smell factor)
- Soft, breathable
- Streamlined drawcord waist

Watermen® Compression Short

Your answer to ultimate water efficiency and key to shaving seconds off lifeguard rescues & race events. But, the Watermen Short is not limited to lifeguard & competition use; it is more widely worn under boardshorts and wetsuits for rash free support and extra warmth.

Sizes: S (28-30), M (32), L (34), XL (36-38), 2XL (38-40) (Add \$3 for 2XL)
 JR. Sizes: JS (22), JM (24), JL (26)
 Sku: LIN

Men's Crew Short

This short is the 15 hour-a-day short! It is a water-to-work short and is as versatile as an Octopus with a Multi-Tool. Made specifically with multi-tasking lifeguard supervisors in mind. Made of SuperFlex™ 4-way stretch boardshort fabric. Equipped with two front pockets and two buttoned back pockets and an adjustable non-stretch waistband that will keep these babies on from the time you wake to the late night training session. Perfect for anyone that needs to look professional in and around the water.

- 4-Way Super Stretch
- 88% Polyester / 12% Elastane
- Inseam 9" / Outseam 20" mid-thigh
- Belt loops w/ drawstring through waistband
- 2 side pockets, 2 back pockets w/ button closure and side cargo pocket.

Sku: 10-305

Pocket Mask

Sku: 10-501

Packaged in a compact, hard shell, pocket-sized carrying case and features a patented one-way valve with filter. Leak-proof seal, re-inflated contoured soft vinyl cuff shapes easily to adult, child, and infant facial contours. Transparent dome allows first responder to check victim's mouth for lip color and secretions. Mask is ready to use with no need to assemble valve and filter, saving valuable time during emergencies. Recognized by all major lifeguard agencies. Masks come with gloves and a wipe.

Seal Rite Mask Kit

Sku: 13-120

This Seal Rite Mask Kit features a cushioned resuscitation mask and one way valve. The cushioned mask allows for in-water rescue breathing and the one-way valve attaches to any bag valve mask.

- FDA registered Sku: 3003197958
- Allows rescue breathing in and out of the water.
- Includes 1 mask, 1 valve
- The bladder portion of the Seal Rite is more durable.
- Can also be used for children and infants.
- Can be attached to a bag valve mask.
